Disabled Hockey Festival

On Saturday, April 9th, 2022 a group of Foxes players (with the help of 18U3's Coach Christy Piatkowski) had the opportunity to play in a mixed ages games during the Disabled Hockey Festival at Lemieux Center in Cranberry, Pa. They played against a team that is hearing impaired and are a part of the AHIHA. (American Hearing Impaired Hockey Association) 18U3 player Parker Bell is a part of the AHIHA team. (Red jersey, back row with the bright green mouthguard) They used lights to signal when goals were scored and during the second period, the Foxes players wore earplugs to get a better understanding of what their opponents experience on a daily basis. Such a cool experience that shows hockey really IS for everybody.

The Disabled Hockey Festival is the largest disabled event of its kind and one of USA Hockey's most significant events each season. The USA hockey Disabled Hockey Festival brings together all six disabled hockey disciplines, spanning two weekends. Games were played at three rinks: UPMC Lemieux Sports Complex, RMU Island Sports Center, and Baierl Ice Complex.

Fundraising Opportunity

The Arctic Foxes Hockey Association is pleased to continue our partnership with the Pavillion at Star Lake to offset the cost of your hockey related expenses. Non-Profit Fundraising (NPO) allows family members of players in the Foxes Organization to raise money while working at Star Lake. We work at the various concession stands around the Pavilion during the concerts/events.

Season Wrap Up

Thank you to all the teams that let me come in and sneak a few photos during your banquets. I apologize I could not be there the whole day but you can find a slideshow on the main page of our website with highlights from this years teams.

Thanks for a great season Foxes!
